

Ridho Mulya
Cyber Security

INTRO

Hi, I'm Ridho Mulya — a Cybersecurity and IT enthusiast studying D3 Computer Engineering at Universitas Sriwijaya.

I focus on web penetration testing, vulnerability reporting, and building websites/software as freelance projects. I'm active in organizations, communicate clearly, and regularly submit bug reports for platforms in Indonesia while continuously improving digital security through real-world testing.

SKILLS

SOFT SKILL

- 01 CODING
- 02 PENTEST
- 03 NETWORK
- 04 EDITING

HARD SKILL

- 01 LEADERSHIP
- 02 PUBLIC SPEAKING
- 03 TEAMWORK
- 04 CRITICAL THINKING

EDUCATION
